CUES CATVS - COMBINED ANALOG TV & SONAR

TV & SONAR TOGETHER ON A SINGLE CABLE

The CUES **CATVS system** is a single cable TV & sonar system that transmits both video and sonar on a single multi-conductor cable. This system is designed to work with the OZII camera and the Marine Electronics Sonar using a standard CUES gold cable. It can be adapted to multiple platforms including: Sonar Float, steerable and non-steerable Pipe Ranger transporters, and the MudMaster transporter. Come visit CUES Come visit CUES at the 2018 WEFTEC Conference

Mark your calendars and make plans to visit CUES at the **2018 WEFTEC conference** in New Orleans on October 1-3, 2018. WEFTEC is the largest annual water quality event in the world. CUES will have exciting new innovations for the water/wastewater industry, as well as experts and top executives on hand to answer any questions you may have. Visit CUES in Booth #711. We hope to see you at the show!

GraniteNet is a PACP, MACP and LACP Version 7 certified software platform for managing assets, tasks, people and equipment.

GraniteNet is the next generation condition assessment software for the water, wastewater, and stormwater industries. GraniteNet software is asset based, which enables the software to easily interface with other asset based software products such as ESRI ArcGIS Mapping systems, and asset management systems to include Cityworks, Infor Public Sector (Hansen), IBM Maximo, and others. Intuitive and easy to use, data and video can now be accessed via a web portal. Please visit www.gnet.us.com to learn more and schedule a demonstration.

CUES TIPS Video

CUES TIPS videos are short, simple instructional videos or "tips" on the operation of CUES products. [Click here](#) to watch the CUES HD connector mating instructions video on the CUES YouTube channel. This video demonstrates the proper connection steps of the HD connector to the DUC camera.

Don't forget to subscribe to the CUES YouTube Channel

Subscribe to the CUES YouTube channel! Here, you can get access to the latest CUES products, training, and company videos to aid your upcoming CCTV pipeline inspection projects for the water, wastewater and stormwater industries.
