

"The Standard of the Industry"

Welcome To CUESNews

GO THE **DISTANCE.**

See you at the show! BOOTH **6030**

Mark your calendars and make plans to visit CUES at the **2019 WWETT Show** in Indiana on February 20th -23rd, 2019. The Water & Wastewater Equipment, Treatment & Transport show is the world's largest annual trade show for environmental service professionals. CUES will have exciting new innovations for the water/wastewater industry, as well as experts and top executives on hand to answer any questions you may have. Visit CUES in Booth #6030. We hope to see you at the show! To learn more about CUES products or for a free demo, [contact your CUES Regional Sales Manager](#).

Kentucky Utility Uses CUES LAMP II for Proactive Pipeline Inspection and Maintenance

The Public Services Department in Florence, Kentucky, uses a CUES LAMP II system to inspect and document infiltration problems, solids buildup, root intrusion, and the general condition of the entire pipeline system. [Click here](#) to read the entire article that's published in the January Inflow and Infiltration magazine. Contact your [CUES Regional Sales Manager](#) for a free demo today!

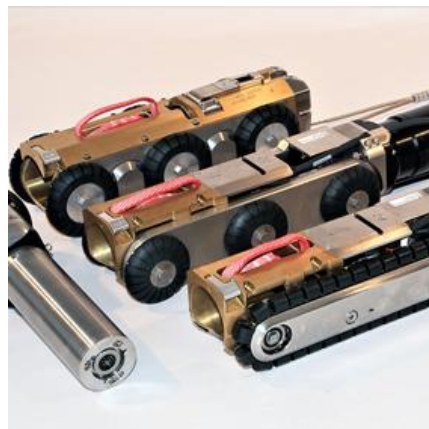

Need an Easy-To-Use Pipeline Inspection System for Hard-To-Reach Areas?

The **CUES Base Station** is mounted in a compact, rugged, weatherproof enclosure that can fit into an ATV, van, or pick-up truck to access easements and hard-to-reach areas. Featuring wireless control, the unit operates all CUES transporters and cameras. Heavy duty welded lifting eyelets and forklift skids are provided for quick deployment to the host vehicle. **Contact CUES today** for a free demo!

NEW SPiDER Scanner Video/Animation

Utilities looking for a wireless color manhole inspection technology in a lightweight, compact form should consider using the CUES SPiDER. The SPiDER collects millions of 3D measurements during each manhole inspection, ensuring the manhole is measured to less than 5 mm accuracy. **Click here** to watch the new SPiDER video/animation on the **CUES YouTube channel**.

QUALITY USED INVENTORY FOR SALE

CUES offers a great selection of quality used equipment for sale, everything from cameras, transporters, and more! **Click here** to view the current list of equipment.
