Municipal Sewer Grout School Orlando | March 27-28, 2019

The **Municipal Sewer Grout School** will help you understand how and why injection grouting stops groundwater infiltration into sewer collections. The two-day session will present technical information on:

- Lateral and mainline Test and Seal packer operation and maintenance
- Mixing and optimizing acrylamide grout performance
- Review and demonstration of new NASSCO/ICGA grout specifications
- Live infiltration and grout sealing demos
- New grout testing and monitoring information and methods

Attendees will receive:

- Credit for (10) Professional Development Hours (PDH) certified by **CIGMAT**
- SOPP certification (Safe Operating Practices Program)
- Training documentation and product manuals
- Personalized Certificate of Completion
- Breakfast and lunch both days, and first evening networking event

Cost:

- \$585 for one registrant
- \$485 for each additional registrant from the same company

*All fees are US dollars.
