## CUES ANNOUNCES OPENING OF NEW DELAWARE FACILITY

CUES is proud to announce the grand opening of their newest sales and service center in New Castle, Delaware, just minutes off of the I-95 corridor. This fully staffed and factory-certified center will provide CUES customers with direct access to all levels of customer service, loaner equipment support, and new equipment sales. The beautiful new location features over 8100 square feet of offices, inventory, shop, and service space, and further shows the commitment by CUES to provide its customer base with the industry's leading service and after sale support. Please plan to attend the grand-opening event, scheduled for Friday, May 3rd, 2019, 10:30a.m.-2:30p.m. [Click here](#) to register for the event! ### MANY UPCOMING SHOWS - STOP BY AND VISIT US!

Taking pride in providing visibility of our American made products, CUES sales professionals, along with numerous authorized CUES dealerships, attend over 100 shows per year domestically and worldwide. The CUES [exhibiter schedule details](#) are included on our website and updated on a regular basis. Stop by and visit our booth at any of these shows to view the latest technology and speak with one of our qualified representatives! [Contact CUES today](#) for a free demo!

## COMBO ANALOG TV & SONAR SYSTEM

The **CUES CATVS system** is a TV & sonar sewer and storm inspection system that transmits both video and sonar on a single multi-conductor cable. This system is designed to work with the OZII camera and Marine Electronics Sonar using a standard CUES gold cable. It can be adapted to multiple CUES platforms including: TV/Sonar Float, Sonar-only Float, Steerable and Non-steerable Pipe Ranger transporters, and the Mudmaster transporter. CATVS is ideal for partially and fully-charged pipelines, including difficult-to-inspect siphons. **Contact CUES today** for a free demo!

## QUALITY USED INVENTORY FOR SALE

CUES offers a great selection of quality used equipment for sale, everything from cameras, transporters, and more! **Click here** to view the current list of equipment.
